

Nanny Pass Policy

- The Nanny Pass is a Photo ID card just like a Resident ID Card and is available for Residents to purchase for their nanny during the pool season only.
- The Patron must fill out a Nanny Registration Form and Realize that any false information or abuse of this pass can result in loss of any or all amenity privileges.
- This pass is valid for one (1) pool season only. The pass is \$100 Per Nanny, per season - regardless of the purchase date. This pass is non-transferable.
- Nanny must be at least sixteen **16** years old to accompany the registered minor children to the facilities when the Adult Patron is not present.
- The kids the nanny is babysitting must be with the nanny to enter the pool and the kids must have their resident ID cards with them. If the kids are under 3 years old their names and age must be submitted to the Amenity Center during the time of the nanny pass being purchased.
- Nanny may not bring their own children or guests into facilities, and may not use a Splash Pass for any Guests, as they are not entitled the same privileges as a Fleming Island Plantation Patron.
- The Nanny and Patron Resident may not use the Facility at the Same time unless the Nanny is a Fleming Island Plantation Resident or The Patron uses a punch on their Splash Pass.
- **This nanny pass does not give access to any other Amenities.**
- **Nanny must provide FIP photo ID for entrance and must be accompanied by children in their care and only for those children listed at time of obtaining Nanny ID.**
- **If the nanny has kids of their own, the Project Manager will need to approve to move forward.**
