NOTICE OF QUALIFYING PERIOD FOR CANDIDATES FOR THE BOARD OF SUPERVISORS OF THE

FLEMING ISLAND PLANTATION COMMUNITY DEVELOPMENT DISTRICT

Notice is hereby given that the qualifying period for candidates for the office of Supervisor of the Fleming Island Plantation Community Development District ("District") will commence at noon on June 8, 2026, and close at noon on June 12, 2026. Candidates must qualify for the office of Supervisor with the Clay County Supervisor of Elections located at 500 N. Orange Avenue, Green Cove Springs, Florida 32043; Ph: (904) 269-6350. All candidates shall qualify for individual seats in accordance with Section 99.061, Florida Statutes, and must also be a "qualified elector" of the District, as defined in Section 190.003, Florida Statutes. A "qualified elector" is any person at least 18 years of age who is a citizen of the United States, a legal resident of the State of Florida and of the District, and who is registered to vote with the Clay County Supervisor of Elections. Campaigns shall be conducted in accordance with Chapter 106, Florida Statutes.

The Fleming Island Plantation Community Development District has three (3) seats up for election, specifically seats 1, 2 and 5. Each seat carries a four-year term of office. Elections are nonpartisan and will be held at the same time as the general election on November 3, 2026, and in the manner prescribed by law for general elections. For additional information, please contact the Clay County Supervisor of Elections. **Legal 201179 Published 5/21/2026 in Clay County's Clay Today newspaper**

NOTICE OF BOARD OF SUPERVISORS REGULAR MEETING

Notice is hereby given that a regular meeting of the Board of Supervisors of the Fleming Island Plantation Community Development District (the "District") will be held on Tuesday, June 23, 2026, at 6:00 p.m. at Splash Park, 1510 Calming Water Dr., Fleming Island, FL. The purpose of the meeting is to discuss any topics presented to the board for consideration.

Copies of the agenda may be obtained from the District Manager, Vesta District Services, 250 International Parkway, Suite 208, Lake Mary, Florida 32746, Telephone (321) 263-0132, Ext. 193.

The meeting is open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. The meeting may be continued in progress without additional notice to a date, time, and place to be specified on the record at the meeting. There may be occasions when Staff and/or Supervisors may participate by speaker telephone.

Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the meeting is asked to advise the District Manager's office at least forty-eight (48) hours before the meeting by contacting the District Manager at (321) 263-0132, Ext. 193. If you are hearing or speech impaired, please contact the Florida Relay Service at 711, for assistance in contacting the District Manager's office.

A person who decides to appeal any decision made at the meeting, with respect to any matter considered at the meeting, is advised that a record of the proceedings is needed and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which the appeal is to be based.

RE: May-June Lakes Report

Please see the photos below and summary of treatments completed to date since our May 12th report. We've made great progress so far this month. A good portion of the ponds are showing signs of growth as we hit peak growing season due to very hot, volatile weather. We have anticipated this though and our field team will continue to prepare accordingly and provide as proactive treatments as possible. Please let us know if there are any questions or concerns and we'll make sure they are taken care of right away. As always, we greatly appreciate the opportunity to work for the Fleming Island Plantation Community.

FIP Lifeguard Report for June 2026

Leadership Team:

Supervisor Alex Barret and Elite's management team, led by Jennifer Haley and Katherine Wilson, continue overseeing staff operations, training, and seasonal support. Jennifer Haley serves as Elite's primary point of contact for coordination and communication with Vesta.

Safety & Operational Notes:

- Staff responded to several minor first aid and safety-related situations during the reporting period.
- Lifeguards continue to actively enforce pool safety rules, including swim test and wristband procedures, to support resident safety and policy compliance.
- Staff addressed occasional pool rule compliance situations while maintaining a safe and orderly environment for residents and guests.

Swim Tests:

- All children under 12 are required to complete a swim test
- Children ages 8 and older who passed last summer remain cleared (records maintained by office staff)
- All children under 8 and all guests under 12 must take or retake the swim test
- Approved swimmers will receive a green wristband from office staff

Staffing:

- Approximately 50 lifeguards, led by Supervisor Alex Barret
- Staffing levels will increase as needed throughout the season
- Hiring information: <https://www.eliteamenities.com/hiring.html>
- Or QR Code

New and returning lifeguard orientation:

- Orientations/training are ongoing and conducted regularly for both new and returning staff
- Continued focus on training and consistency to ensure high-quality service for residents

Lifeguard Certification:

- Lifeguard Certification classes held on May 16 and May 30 at the FIP Amenity Center
- New courses are being scheduled and will be posted.
- Course information: <https://www.eliteamenities.com/certification.html>

Swim Lessons:

- Two swim instructors: Cassidy Burke and Ashlyn Anderson
 - Monday - Friday 9am-2pm at AC
- Registration is available through the Elite Amenities website: <https://www.eliteamenities.com/swimlessons.html>
- Or QR code

- 10% of gross swim lesson revenue will be returned to the CDD

Lifeguard Equipment:

Monthly Report June

June 16, 2026

Maintenance Team: Our Maintenance team is continuing with their weekly mowing and detailing schedule with a focus on detail and weed treatments in plant beds, pine straw areas and concrete joints.

Irrigation Team: The Irrigation team continues to perform irrigation inspections as scheduled. Techs are adjusting water usage on clocks depending on how much rainfall we receive. Techs have capped identified areas that require deletion and will continue to monitor rain sensors to ensure the system is shutting down properly during rain events to reduce usage. Approved repairs have been completed. Irrigation summit meeting was held between Ruppert representatives and the vesta management team to discuss upgrading to 2 wire irrigation systems and smart controllers.

Agrow Pro: Spring round of turf fertilization is complete. Team will be on site during May for our first round of insecticide with a heavy focus on chinch bugs. A second blanket application was performed to eradicate chinch bugs throughout. Treatment began on Tuesday 6/16 and continued through Friday 6/18. All areas were treated throughout Fleming Island plantation.

Annuals: Flower rotation occurred on Monday June 8th. Old flowers were pulled on Friday the 5th and delivered to the Amenities center for resident selection. Mixed Vinca were installed throughout. Snap shot was applied to beds to eradicate fungus while having to overwater beds during drought conditions.

Mulch installs – Mulch has been completed at Margarets walk park.

Approved enhancements – enhancements were provided and to fill in empty areas under the slide at the splash park as well as fence and shrub removals at splash park to accommodate installation of new shed.

Berms and pine straw prep. – Pine straw will be installed immediately after completion of mulch installation. Crews continue to work through prep of those areas before installation begins.

Bed weeds – bed weed treatments are ongoing and our weekly rotations are being kept up while now applying pre-emergent in all beds and concrete joints.

Pine Straw – Hard start date for pine straw installation is July 1st. pine straw vendor is booked us for the next two weeks and this will allow us more time to prepare the berms for installation.

Moss in trees and tree canopies – Moss has become prevalent in trees in some areas; we will begin removing moss in heavy areas to avoid having to wait until the winter months when the entire site will need to be done and this task becomes more daunting. Periodically removing moss in heavy areas throughout the growing season will hopefully slow the accumulation and will make the moss removal during the winter a little less to deal with.

June 16, 2026

Hello all:

As we move into June, North Florida landscapes enter one of the most challenging periods of the year. Rising temperatures, extended daylight hours, high humidity, and the potential for inconsistent rainfall create conditions that can stress plants, encourage turf diseases, and increase insect activity. The following report outlines what you can expect from your landscape during the month and the services we recommend to maintain a healthy, attractive property.

Flower Beds and Drought Management

Seasonal flowers and ornamental plants require close attention during June. Although afternoon thunderstorms often begin to develop at this time of year, rainfall can be inconsistent, resulting in localized drought conditions. Flowers may exhibit signs of heat stress including wilting, reduced blooming, leaf scorch, and premature flower drop.

To help maintain healthy annuals and perennials during dry periods, we recommend:

- Deep watering two to three times per week rather than frequent shallow watering.
- Maintaining a 2–3 inch layer of mulch to conserve soil moisture and reduce root-zone temperatures.
- Monitoring irrigation systems to ensure proper coverage and efficiency.
- Removing spent blooms to encourage continued flowering and reduce plant stress.
- Inspecting plants regularly for drought-related decline and adjusting watering schedules as needed.

Even with proper irrigation, some seasonal flowers may show temporary stress during periods of extreme heat and drought.

Warm season turfgrasses such as St. Augustine, Zoysia, and Bermuda are actively growing during June. However, periods of drought can cause visible changes throughout the lawn.

Homeowners may notice:

- Turf turning dull blue-green or gray-green in color.
- Footprints or mower tracks remaining visible for extended periods.
- Thinning turf in high-stress areas.
- Dormancy in localized dry spots.
- Slower recovery from traffic and mowing stress.

Turf panels may display uneven coloration due to varying soil moisture levels, irrigation coverage, and sun exposure. These conditions are common during drought periods and do not necessarily indicate permanent turf damage. Consistent irrigation and proper cultural practices help minimize stress and encourage recovery once rainfall returns.

Fungus Prevention and Treatment

June's combination of heat, humidity, and afternoon moisture creates favorable conditions for turf diseases. Common fungal issues in North Florida include large patch, brown patch, gray leaf spot, and other moisture-related diseases.

Our turf management program includes monitoring for disease activity and applying preventative or curative fungicide treatments when necessary. Early detection is critical, as fungal outbreaks can spread rapidly under favorable environmental conditions.

Property owners should report any areas showing:

- Circular brown patches.
- Rapid yellowing.
- Thinning turf.
- Leaf spotting or discoloration.

Prompt treatment can help prevent extensive turf damage.

Insect Monitoring and Control

June marks the beginning of increased insect activity throughout North Florida lawns and landscapes. Chinch bugs, sod webworms, mole crickets, armyworms, and other turf-damaging insects become more active as temperatures rise.

Our inspections focus on identifying insect populations before significant damage occurs. Preventative and corrective insecticide applications may be recommended based on seasonal pressure and site conditions.

Signs of insect activity may include:

- Irregular brown patches.
- Turf thinning despite adequate irrigation.
- Increased bird activity feeding on insects.
- Areas of turf that pull up easily due to root damage.

Weed Control in Concrete Joints and Hard Surfaces

Warm temperatures accelerate weed germination in expansion joints, cracks, sidewalks, driveways, and other hardscape surfaces. These weeds can quickly become unsightly and may contribute to surface deterioration over time.

Routine treatments help control:

- Broadleaf weeds.
- Grassy weeds.
- Sedges and other persistent species.

Multiple applications may be necessary throughout the summer as new weeds emerge following rainfall events.

Landscape beds remain vulnerable to weed growth during June due to increased temperatures and moisture. Weed pressure often increases significantly following rainfall.

Our maintenance program includes:

- Spot treatment of actively growing weeds.
- Monitoring for new germination.
- Maintaining mulch coverage to suppress weed growth.
- Preventing weed competition for water and nutrients.

While herbicide treatments are effective, complete weed elimination cannot be guaranteed due to ongoing seed germination and environmental factors. Regular maintenance provides the best long-term control.

Looking Ahead

June serves as the transition into North Florida's peak growing season. Proper irrigation, timely pest management, disease monitoring, and consistent weed control are essential for maintaining landscape health and appearance. Our team will continue to monitor conditions closely and make recommendations based on weather patterns and property-specific needs.

Thank you for allowing us to care for your landscape. We appreciate your trust and look forward to keeping your property healthy and beautiful throughout the summer season.

Sincerely,

Christopher C. Cesaro

Ruppert Landscapes

June

What to Plant

Annuals/Perennials/Wildflowers: Annuals that can take full sun during hot summer months include celosia, portulaca, vinca, and some coleus.

Palms: Summer's warm, rainy weather is the perfect time to plant palms. Make sure not to cover the trunk with soil.

Herbs: Plant heat-loving herbs, including basil, Mexican tarragon, and rosemary. Pinch back regularly to prevent flowering and enhance branching.

Vegetables: Plant okra, southern pea, and sweet potato.

What to Do

Pests: Monitor the landscape weekly for harmful insects. Knowing which insects commonly attack a plant can aid in identification and treatment.

Irrigation: If rainfall has been lacking, watch for drought stress and water as needed.

Palms and cycads: Watch for nutrient deficiencies or environmental problems with palms and correct using appropriate treatment.

Summer-flowering shrubs: Prune lightly during the warmer months to encourage more branching and blooming. Azaleas can still be pruned in June without removing next spring's flower buds

Fertilizer Bans: Certain municipalities in north Florida prohibit the application of fertilizer to lawns and/or landscape plants during the summer rainy season (June–September). See if such an ordinance exists in your area.

Lawns: Yellow and brown patches in St. Augustine grass can be caused by chinch bugs, disease, or lack of water. Take time to determine the cause so your remedy is effective. Rejuvenate areas where grass does not grow well by replacing it with a more adapted turf or groundcover.

***Highlighted items require Board action.**

NEW SNACK BAR VENDOR / No Board action required:

We are thrilled that the slide is open, and our residents are enjoying making a splash. Our concession vendor is also doing well, and while any change comes with a period of adjustment, the response has been largely positive. Overall, we believe this is a classic win, win, win scenario. The wins represent our residents, of course, our vendor, and our staff as well. We can't imagine what the season would be like without this new partnership and having to install ice cream vending machines or nothing at all in lieu of a vendor... yikes! Stay tuned for more menu options, daily specials, and event items too!

BEER AND WINE LICENSING / Board discussion required:

There are certainly additional details to discuss at our upcoming meeting - however, we wanted to provide you with as much information as possible in advance.

We have confirmed that if the 2COP license is obtained, we would not need to contract with outside services for our 21+ events. Instead, our onsite Vesta CDD staff, along with our Snack Bar vendor and their staff, would be required to complete the necessary training to operate under our license. These courses would be administered through the Florida Department of Business and Professional Regulation (DBPR) as part of its Responsible Vendor Program (RVP).

Outlined below is a detailed breakdown of the anticipated expenditures associated with obtaining the license, as provided by our Regional Manager. Should any additional key information become available prior to our meeting, we will provide those updates under separate cover.

2COP Alcohol License

- Zoning Sign-Off: \$50.00
- Temporary Alcohol License: \$100.00
- Permanent Alcohol License: \$392.00

Subtotal: \$542.00

DBPR/Food License (if we choose to pursue licensing in the District's name)

- Application Fee: \$50.00
- Food License Fee (approximate): \$300.00

Subtotal: \$350.00

Miscellaneous Expenses

- Estimated Cost: \$125.00

Administrative Fees (Consultant)

- \$550.00 (no markup; these funds are paid directly to the third-party consultant)

Total Estimated Costs

- **2COP Alcohol License Only:** \$1,217.00
- **Alcohol License + Food License:** \$1,567.00

RESIDENT ENGAGEMENT UPDATE / No Board action required:

While we don't want to steal any thunder from the Amenity Manager's report (well maybe a little) we wanted to share a few details about the Turtle Thursday program. In addition to our resident appreciation days we are always looking for new and exciting ways to engage with our residents. This weekly giveaway for June and July does just that.

Our pool staff gets to interact with the residents while they select, name, and register their turtles. We partnered with one of our premier sponsors which helps to promote others to join. We also will be announcing the winners on our weekly Thursday E-blasts ergo the name Turtle Thursdays! We hope announcing the winners on this platform will boost email registrations to receive our blasts and newsletters. Then if that wasn't enough – we added an icon on our FIPLiving App as well, in hopes to have more residents download this valuable communication tool.

It has been so rewarding to see how excited the kids are when they select their turtles, then to see the wheels spinning while they try to come up with a name for their new friend. Some of our favorites have been Franklin, Seaweed, King Tut, Crush, and Freddie too! We also had a resident stop in to drop off some food donations and let us know she was about to celebrate her 70th birthday. That resident let us know she doesn't frequent the pools too often but wanted to find out how to "adopt" her turtle! FIP FUN for all ages!

Should you have any comments or questions feel free to contact me directly.

Amenity Manager's Report

Meeting date: **6-23-2026**

Submitted by: **Jennifer Meadows**

EVENT UPDATES / No Board action required:

POOL MOVIE: On Saturday, June 13 we were scheduled to host our first Pool Movie of the summer at the Splash Park... Mother Nature had other plans – POSTPONED! Same plan new date, Friday, June 19th, stay tuned. We will be showing Grown Ups beginning around 8:30pm. Residents are encouraged to relax in the pool with their noodles or lounge comfortably poolside in one of our chairs. We will be serving complimentary popcorn during the film and TenneSteve Treats will be open selling his delicious treats as well. Fingers crossed it doesn't rain!

DUNK-A-DAD: We love our Dad's and what better way to celebrate that love than dunking them in a dunk tank. On Saturday, June 20 from 4pm-6pm, we will be hosting a fun Father's Day celebration with the hilarious Dunk-a-Dad event. Kids will have a blast trying to hit the target to dunk their dad (or any other father figure in their life). We are looking forward to this fun afternoon of laughs!

MUSIC AT THE POOL: Come for the Dunk Tank and stay for the tunes! Also, on our Father's Day celebration day - we are excited to announce a live performance at the Splash Park pool on Saturday, June 20 from 6:30pm-8:30pm! We are thrilled to have local musicians Rob and Julie performing a variety of songs that will have you feeling like you're on vacation somewhere tropical. Beat the heat with these cool vibes!

21+ ONLY POOL PARTY: Mark your calendars for this year's pool party Bahama Breeze and Palm Trees held at the Splash Park pool from 7pm-9:30pm. There will be a complimentary delicious nacho bar to enjoy, along with Jeremiah's Bahama Breeze alcoholic treat for \$3. TenneSteve Treats will be open throughout the event for any additional drinks or snacks you'd like to purchase. We will have games you can play at leisure or join in competitive games to win prizes. Whether you are coming to relax with friends or release your inner child for a night of games and swimming, this is a night you won't want to miss!

WILD & WACKY WEDNESDAYS: It's about to get a little wild and wacky this summer at FIP! We will be hosting exciting events to beat the summer boredom blues on a couple of Wednesday afternoons! Our first event will be held on June 24 at the Splash Park pool from 4pm-6pm. Kids will sign up for a special age-appropriate time frame where they get to experience an epic Foam Party! If you've never been to one of these parties, it is an absolute blast, and we can't wait to share it with our favorite little residents!

TURTLE THURSDAYS: This turtle-y awesome event gives residents of all ages the chance to adopt an adorable colorful turtle (don't worry, they aren't live). They name the turtle and are automatically entered into a drawing to win an incredible bag full of summer treats, such as beach towels, water toys, and more. Every Thursday a winner is drawn from the list of participants. It has been a huge hit so far with over 300 participants and so far we've had three winners!

SUMMER FOOD DRIVE: With the Green Cove Springs Pantry in need of supplies, FIP sprung into action to help bring in the much-needed items. We will be collecting throughout June and have already filled up two 3ft baskets to the brim. We can always count on our awesome community to come together and help when needed!

MARK YOUR CALENDARS FOR THE FOLLOWING EVENTS:

- Independence Day Celebration – July 4
- Wild & Wacky Wednesday (Magic) – July 8
- Pool Movie – July 17th / 18th rain date
- Float your worries away – CHILL 21+ Adult Only Night – July 24
- Wild & Wacky Wednesday (Zoo Outreach) – July 29
- Back to School Bash (WHAT???) How is this possible already?!?!) – August 1

Field Operations Report

Meeting date: **6-23-2026**

***Highlighted items require Board action.**

SPLASH PARK SLIDE REPAIRS / No Board action required:

We are grateful to our vendor for getting the slide up and running in time for the first day of summer and the last day of school. While there are still a few minor touch-ups that need to be completed, rather than closing the slide or surrounding area during pool operating hours, we have scheduled this work to coincide with our regularly scheduled maintenance closure on June 23rd.

We are thrilled to see our residents using and enjoying the slide safely and look forward to another fun-filled summer season.

Please keep in mind that both the interior and exterior of the slide will require attention during the upcoming off-season. We will work with Vice-Chair Szafranski to explore any potential color changes and will bring those proposals before the Board for consideration during the next fiscal year.

VILLAGE SQUARE FOUNTAIN / No Board action required:

Work in progress.

TENNIS BUILDING UPDATE / No Board action required:

The District Engineer is taking the lead on the closing of this project.

TENNIS BUILDING ADD-ONS / Seeking Board approval for a NTE amount of \$11,250.00:

We are hopeful that the Board had the opportunity to review the marked fence area adjacent to the tennis building. It is our goal to enclose this area for aesthetic and storage purposes.

As you know, the required sewage pump is quite large and highly visible from all angles. We would like to recommend enclosing this necessary, yet unsightly, equipment with a solid white vinyl fence. In addition to improving the overall appearance of the area, the fencing would also create an opportunity for clean, contained storage space for the maintenance team.

To complement this addition, we would also like to propose installing concrete within the fenced area to provide a clean, durable, and permanent surface. We did consider the use of rock similar to the pool pit areas; however, we believe rock would eventually spill beyond the fencing, encourage weed growth, and ultimately detract from what has otherwise become such an outstanding addition to the community. The costs are outlined below.

Fencing	Concrete	Total
\$4,544.00	\$6,475.00	\$11,023.00

SPLASH PARK FURNITURE REFINISHING / No Board action required:

Work is continuing in phased batches, and the newly installed chairs present an excellent appearance.

SPLASH PARK FENCING UPDATE and STORAGE / No Board action required:

We are finalizing scheduling and will leave this as an agenda item until the project is completed.

MARGARETS WALK DOCK INSPECTION / No Board action required:

We have reached out to Fortress Engineering Group, waterfront structure specialists, for site inspections and a possible scope of service for repairs needed. We are working on scheduling them to inspect the Margaret's Walk dock, bridge on the pedestrian path, as well as the bridge between the Amenity Center and the Golf Course. We will keep the Board informed as things progress.

CARRINGTON PLACE STORMWATER PUMPS / No Board action required:

Ownership has been confirmed that the stormwater pumping system inside Carrington Place does fall under the CDD, the District Manager was able to locate a resolution stating this from 2012. We are currently working on bids to get this system operational. Once that is completed, we will set up a maintenance schedule and make sure we are on track for the annual SJRWMD inspection.

FIELD OPERATIONS UPDATES / No Board action required:

MAINTENANCE DONE SINCE LAST CDD MEETING – May 2026 to June 2026

- Noticed that the tennis courts were looking like they had not been watered correctly.
 - Asked Ruppert to have the heads adjusted
 - After adjustments were done, courts are still not watered correctly
 - Ran irrigation and found there was very little water coming out of the heads. At that time, I noticed the supplemental pump was not running.
 - Called Ruppert to look at pump and have fixed by end of day (Friday)
 - Monday morning courts still looked bad. Checked and pump had not been repaired
 - Again asked Ruppert to get it fixed by end of day. I was told the motor was bad. Around 5 or 6pm I got a quote for replacement. Quote was much higher than expected so I questioned Ruppert. I was told both motor and pump now had to be replaced. After complaining about the replacement quote, Ruppert reduced the quote slightly and I gave verbal approval for replacement.
 - The next morning, the pump had still not been replaced. I was told by Ruppert they would have the pump installed by end of day and the next day when irrigation ran at noon they would double check adjustments on all heads.
 - Two days later courts still were not watered correctly. So, I called Ruppert once again to meet me at the courts. I showed how the heads were putting out very little water. Ruppert rewired the pump and it was still the same. It was then that I wondered if the backflow was all the way in the open position. Upon inspection, the backflow was barely turned on. Once I opened the valve all the way, the irrigation was working correctly. It is unknown who turned the backflow off. Ruppert claims to not have turned it off and we have had some kids messing with things like water turn-offs recently.
 - Once irrigation was working correctly, our staff came in extra early for a couple mornings to clean up the damage that had been done to the clay surface. We also set the irrigation to run extra times per day to get the clay deeply soaked with water as it should be
 - We are proud to announce that the courts are now back in good condition and we will continue to work at this until
- Soft washed playground at Amenity Center
- Replaced self-closing hinges at Splash Park main gate and at Kiddie pool

- Discovered bulbs out in 3 lamps at Splash Park Field walkway and 1 in parking lot. Had vendor replace
- Quarterly PMs done on Golf Cart and Toro Cart. Due to vendor timing issues, there was no charge for the service on the Toro cart
- Replaced courtside trash cans at tennis. Green cans on back order through end of summer so switched to black cans
- Replaced worn line brushes on all tennis courts
- Tried new product recommended by supplier for tennis clay algae, seems to be working great.
- Installed temporary "Watch Your Step" signs at Courts Pavillion steps
- Replaced all wire shelving in snack bar
- Repaired loose pool handrail
- Replaced worn fill valves and floats at Family pool and Kiddie pool
- Replaced bad GFI outlet in splash pad pool equipment
- Removed "Yield" sign near round-a-bout that had been hit by car. Reported to county and they installed new sign
- Removed "Stop" sign from island tip at Town Center and Old Hard that had been hit by car. Reported to county and they installed new sign
- Replaced many burnt out globe light bulbs at Amenity Center
- Reset all timers for summer set times
- Repaired cap at Cypress Glen monument
- Slide repairs finished except for some touch ups and slide opened temporarily. It was determined slide was very rough, so closed again. Vendor cleaned with iron decontamination treatment. FIP staff did a spray wax treatment. Water flow adjusted and slide opened
- Repaired center light pole at round-a-bout
- Repaired leaking vavle at Margaret's Walk Park fountain
- Placed Garage Sale banner and signs
- After re-setting the time many times, replaced the clock at the Amenity Center Pools
- Applied a secondary spray on ceramic wax treatment to slide to help with slickness
- Cleaned tiles and Thunder Bucket at Splash Park

Should you have any comments or questions feel free to contact me directly.
